Historic Loudonville

Where the Past Welcomes the Present

Along the landscapes and Mohican River, history is alive. Go back in time and enjoy the scenery of where Johnny Appleseed made history. Transport back in time where people would "dress up" to enjoy a movie, play or concert. Marvel at the architecture that still exists today in such timeless settings.

Loudonville and Perrysville both hold historical importance to the state of Ohio. Learn about the history of how Loudonville was home to the Flxible Bus & Side Car Company and famous inventor Charles Kettering. Check out interactive displays explaining the days from long ago at the local museum.

Enjoy the history of the river and its importance to how farmers utilized natural resources to keep the area going. Take a drive down Wally Road and see why the former Walhonding Valley Railroad became known as one of the most beautiful train rides in Ohio. Walk in history and see a working mill in action. Without the mill, the farmers could not make and sell flour needed to survive.

Mohican's Sporting Events

Taking advantage of the outdoors and challenging the body is a Mohican-Loudonville tradition. Individual and family sporting events are available throughout the spring and summer. There are marathons, 50k, and 100 mile treks on foot and on mountain bikes that take the athletes across rivers, streams, hills and several counties. These races welcome spectators and athletes of all levels to join in on the fun. Events start in April and run through October.

The Forget the Personal Record Run, more commonly know as the Forget the PR Run begins the sporting event season in Mohican. This event also raises money for local non-profits. Fun, run and Mohican go hand-in-hand in this race as participants are given swag, including belt buckles and special packets. Race lengths include 50k, 25k, and 13.1 miles.

> ***"...the (Mohican) trails also rank in the top 50 of the Best Mountain Bike Trails in the World!"***

The Mohican Mountain Bike 100, a 100 mile and 100k race, is one of the most popular ultra-events in the US and is an official stop along the National Ultra Endurance Race Series. The race begins in downtown Loudonville with participants passing through four counties along a single loop with a total elevation gain of more than 11,000 feet. Racers go toe to toe with top pros on this legendary ultra-endurance loop in Northeastern Ohio.
In 2014, SingleTracks.com ranked Mohican's Mountain Bike Trails as one of "The Top Mountain Bike Trails in the United States of America" and the trails also rank in the top 50 of "The Best Mountain Bike Trails in the World!"

For more than 25 years, The Mohican Trail 100 in June has offered runners a place to stretch their legs. Options for this race include 100 miles, 50 miles or Ohio's only off-road Marathon. The 100 mile race is the fifth oldest ultra-run in the world and home of the first ever USATF National Championship in 2005. The race is held entirely along pristine trails in the 5,000 acre Mohican-Memorial State Forest and the 32 hour time limit offers even fast walkers enough time to complete the marathon distance.

The Great Mohican Races Triathlon & Family Races is a great opportunity to get the family all together one last time before the kids go back to school! The races will start and end in the park next to the beach which will offer spectators and athletes alike beautiful scenery of Pleasant Hill Lake surrounded by forest covered rolling hills. This is a great event for first time duathletes, triathletes and runners as well as seasoned veterans. The event will offer a Sprint Triathlon, Sprint Duathlon, 10k Run, 5k Run and a Kids FUN Run.

In October, the Loudonville-Mohican Chamber of Commerce hosts The Mohican 5k Run/Walk. This 3.1 mile begins and end along the bike path of Wally Road. The Mohican 5k Run/Walk benefits the Loudonville-Mohican bike path with proceeds helping to maintain the area's bike path. A fun event for all.

Hiking in Mohican

See the changes of the seasons up close and personal with a hike in Mohican. From the restored bridges, to the walkways – it is everyone's opportunity to enjoy all the park and forest have to offer. Thanks to the partnership of the Mohican Trails Club and Ohio Department of Natural Resources the trails have never looked better!

As the trails wind through the forest, one will stand in awe of the native Ohio trees, such as, oak-hickory and beech-maple types. Native white pine and hemlock are also found. The longest trail on the map is the Hog Hollow Trail, 2.3 miles (one way). Hog Hollow Trail begins at the covered bridge and ends at the Fire Tower. This moderate/difficult trail has quite the story to its beginning.

Apparently, in the 1920's, a man lost his pig during a spring flood. When the waters lowered he canoed down the river, to find his lost hog stranded in a tree. Ever since then, the trail has been named Hog Hollow Trail.

Photo: Kari Reidenbach

One of the most popular hikes and photographic opportunity is the trail to Big Lyons Falls. Lyons Falls was named after Paul Lyons. According to the Perrysville Bicentennial Program (2013), Paul liked to live by himself. He had built a cabin between Big and Little Lyons Falls. The story is divided as to how he actually died. One claim is that he stepped out of the cabin and slipped at the top of falls and fell to his death. While other sources say he was killed helping a neighbor haul logs.

Throughout the year, there are several opportunities to learn more about what makes the trails, forest, and park so special. In January, April and June guided hikes are available with special guests and their own personal knowledge. Some of the hikes have included a naturalist or a geologist.

Canoeing *the* Mohican State Scenic River

Mohican-Loudonville is not named the Camping & Canoe Capital of Ohio for no reason at all. In addition to the 4,500 campsites, Mohican-Loudonville began its canoe livery business in 1961 with the vision of Dick Frye. It was Frye's vision of opening the first commercial canoe livery in Loudonville, Ohio. Since the beginning, canoeing remains the most popular activity in the area.

It is in thanks to the state and local government, citizens and businesses of Mohican-Loudonville that over 32 miles of the Mohican River was designated and officially known as the Mohican State Scenic River in December 2006. The lower section of the Clear Fork and Mohican is made up of a forested valley where the clean water provides habitats for all kinds of plants and flowers.

...over 32 miles of the Mohican State Scenic River

To paddle or float down this river is floating on history-literally. As the river winds through Holmes to Knox County the water enthusiast is crossing the Greenville Treaty line of 1795. This is where the United States and Native American tribes established lands south of the treaty line that were open to settlers, while the north remained with the Native Americans.

If new to the canoeing/kayaking experience, friendly service is ready for any adventure. Some things to consider, typically all trips down the river are first come, first served. The mid-week day trip is a great way to enjoy the scenery and wildlife or splash down the river with the fun weekend crowd.

It is always courteous and worth calling ahead for ease and preparation if there is a large group planning to go at one time. The call ahead ensures that there is enough equipment and fun for all. Don't forget to be prepared.

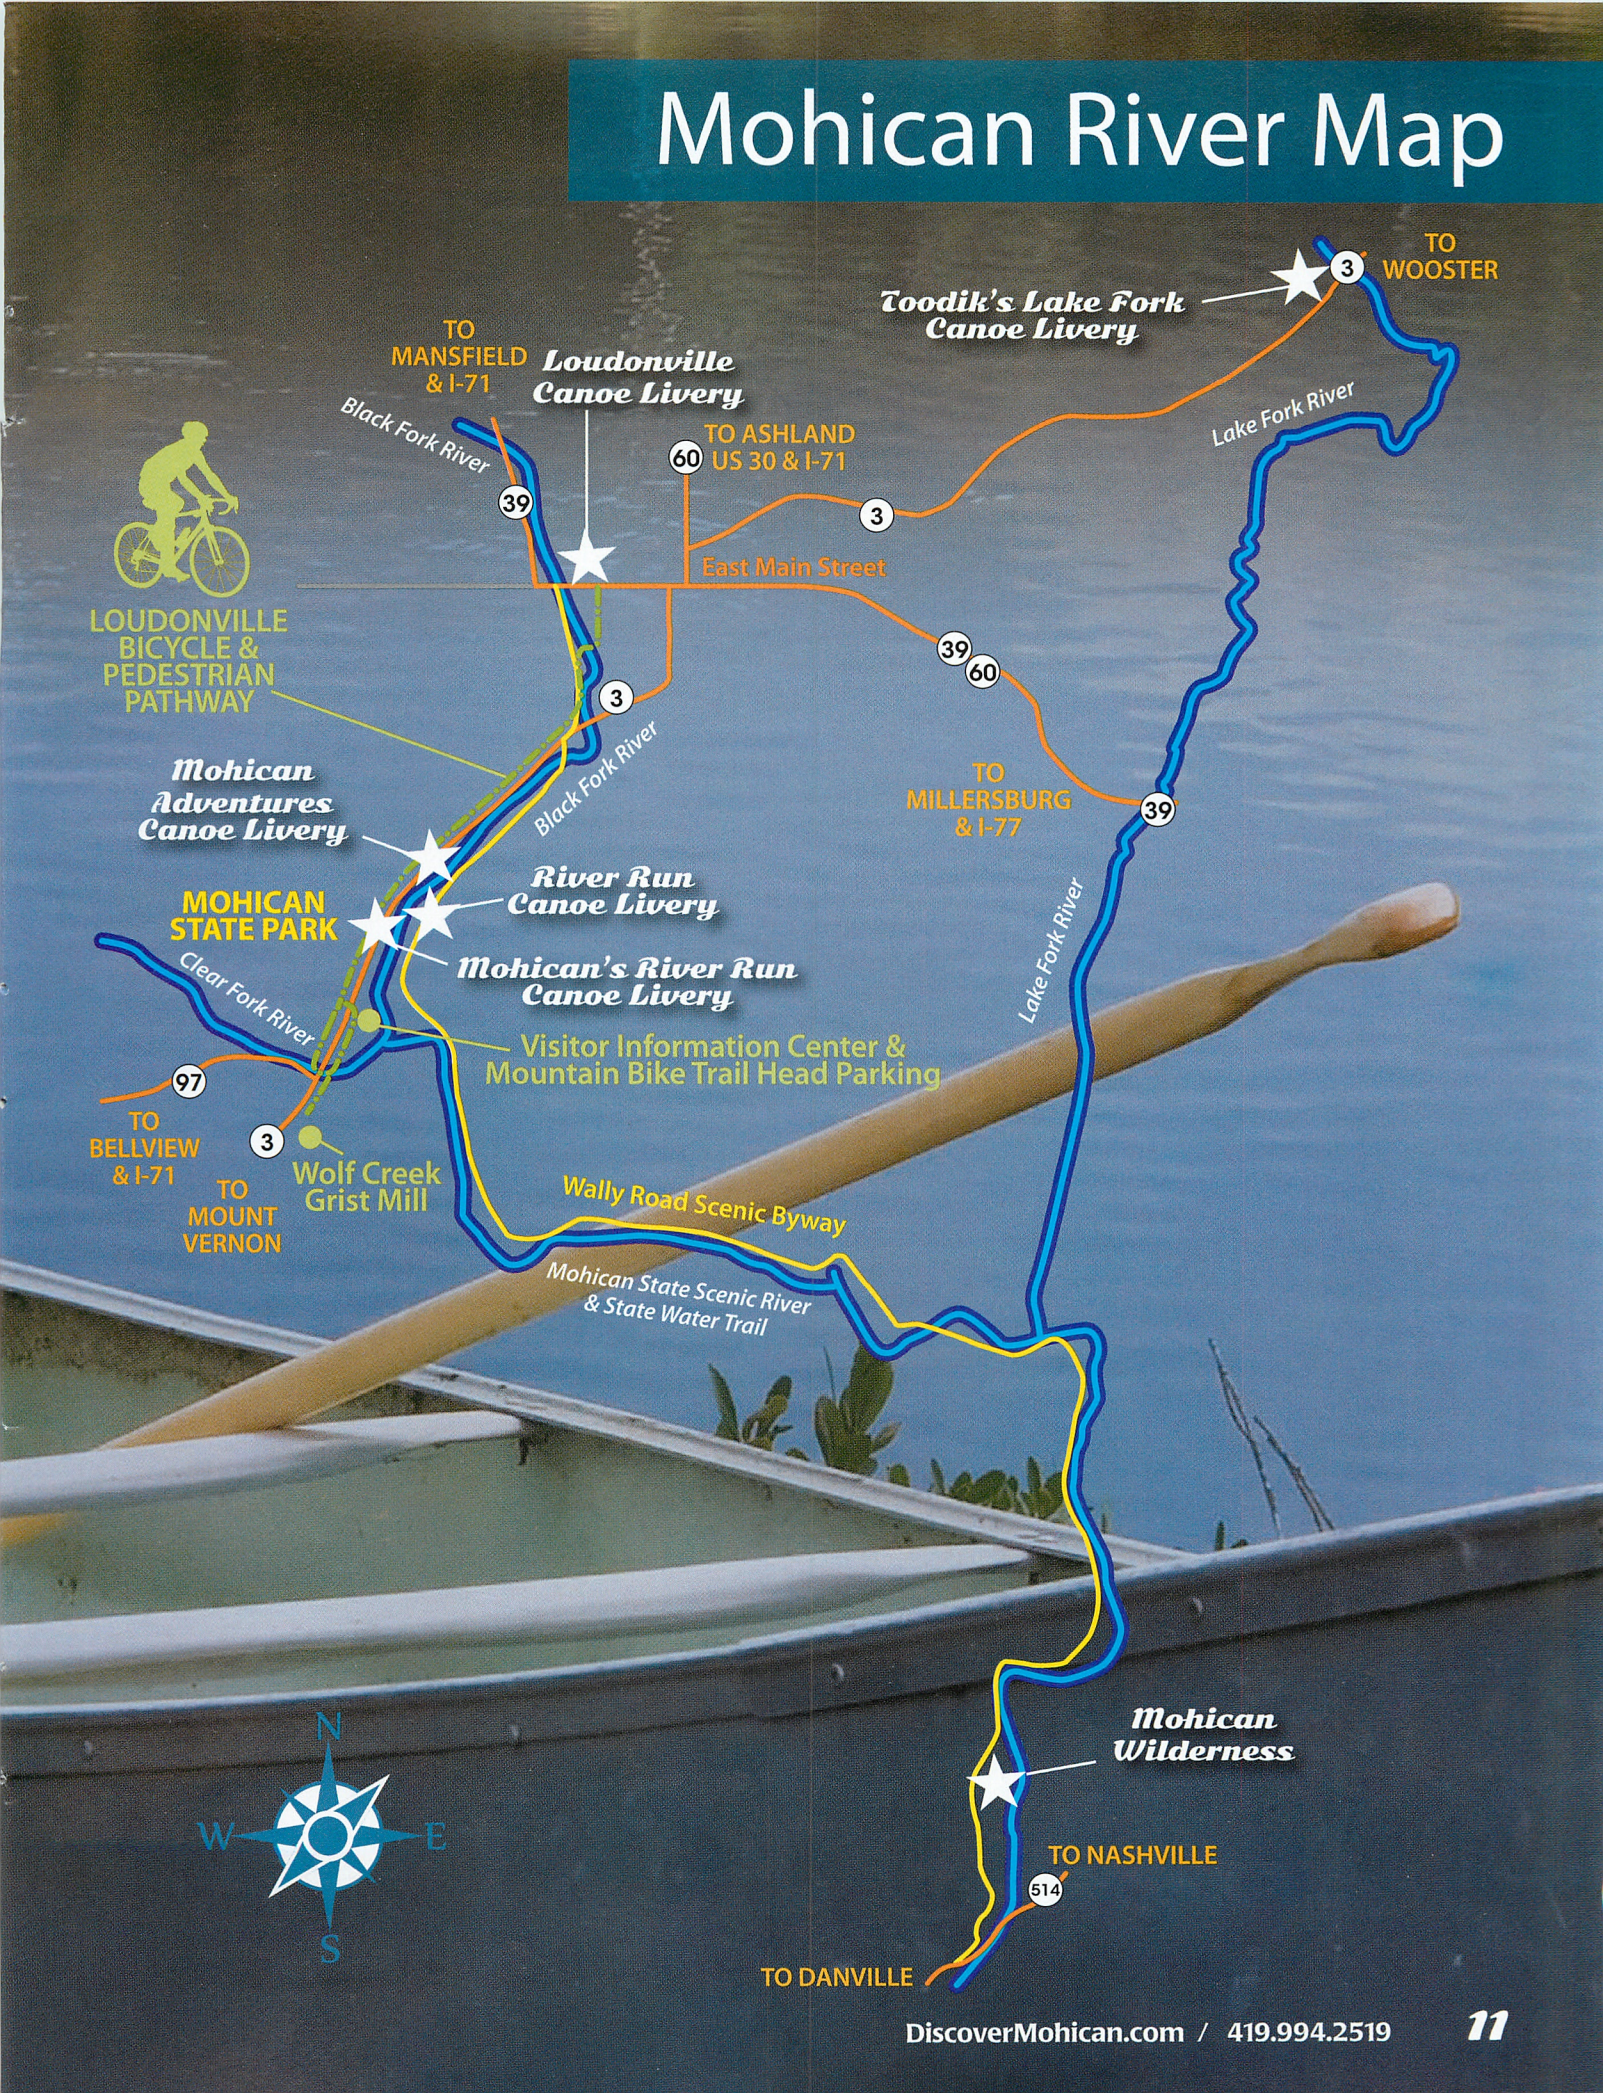

Recommended items on the water include:

- Trash Bags & Change of Clothes – to be kept in the vehicle
- Sunglasses w/Strap
- Hat, T-Shirt, Shorts
- Shoes for Wading
- Sun Block, Bug Spray
- Picnic Supplies
- Soft-sided Cooler (For Rafts)
- Non-Glass Containers

No Styrofoam coolers as they break too easily and litter the river.

Courtesy along the river goes a long way. Make new friends and have fun, but remember all ages are on the river to have a good time.

Mohican River Map

Mountain Biking

With more than 20 miles of world renowned mountain bike trails, do not be surprised to see mountain bikers here any time of year. These well marked and groomed singletrack trails wind through the most scenic sections of our state forest. Perhaps that's why there are so many families and groups biking along with big smiles on their faces?

More than 20 miles of world renowned mountain bike trails.

The Mohican Malabar Bike Club is responsible for maintaining these popular trails that traverse much of the 5,000 acres of the Mohican State Park and Memorial Forest. The 24 mile Mohican Mountain Bike Trail is one of Ohio's best, offering cyclists a mostly singletrack loop that includes over 2,500 feet of climbing. Known for its flowing singletrack, extended climbs, and exhilarating downhills, this trail has something for everyone. Trail highlights include views of Hickory Ridge, Clear Fork Gorge, The Covered Bridge, including cool sections through a pine forest.

There are numerous benefits to this family friendly outdoor activity that offers visitors an opportunity to explore scenic Mohican along well marked trails that will refresh your mind and renew your spirit. So, don't forget to pack up those bikes and bring your running shoes so you can enjoy your adventure on the Mohican Mountain Bike Trails! Whether you are experienced or new to mountain biking, just like any other outdoor activity – always be prepared.

Be prepared!

1. A good helmet and eye protection
2. Water
3. Snacks
4. Cell Phone
5. First Aid Kit
6. Money
7. Spare tube, tire pump, and tire levers
8. Always remember to tell someone where you plan to ride and estimated arrival time

On Horseback

The hills of Mohican offers the perfect scenery to take a ride on your favorite horse. Thanks to the efforts of several organizations, including the Ashland County Ohio Horseman's Council, Muskingum Watershed Conservancy District, Mohican and Malabar Farm State Parks and Mohican-Memorial State Forest the bridle trails are now open and joined together. That is over 80 miles of trails to explore!

There are many opportunities to bring the horses on the next trip to Mohican-Loudonville. Cabins, campground and rental homes are available with stables and horse friendly locations within a short distance to the bridle trails.

Before hitching up the trailer, planning is key. When staying overnight, always call ahead and make a reservation. Make sure to bring all the tack, clothes, extra boots, food, etc. needed. Do not forget to tell someone where and when the ride will take place. Need a trail map? No problem. Detailed trail maps are $2 each and available at the Mohican-Loudonville Visitors Bureau and other participating locations.

If trail rides are more in line, those are also available. Trails run the woods where anyone can enjoy nature at its finest. Rides are typically one hour in length and still allows time for other activities in the area. The rides are by appointment only and take a credit card deposit. Calling ahead is always a good idea and weather permitting, open all year.

Weddings & Events

The Mohican-Loudonville area has some incredible options for memorable reunions, weddings, meetings and conferences. Options range from a small to large setting, depending on the need.

Venues include rustic outdoor pavilions overlooking Clear Fork Gorge, local service clubs, building on the National Register of Historic Places, 1830's Grist Mill, campground & conference centers, museum, luxury resorts and outdoor gardens. Picturesque, inspiring, and close-by.

Catering services are also available. Flexible enough to suit your needs from the upscale to casual dining. Carry-out picnics to a sit down event.

When planning for the event it is always best to reserve the venue as far ahead in advance as possible. To help with the planning consider the following questions. This will aid in the beginning stages of the planning of an unforgettable event

- When is your event?
- How many people will be coming?
- What kind of space will be needed? Casual or elegant, etc.
- Will a caterer be required?
- What is the budget?
- Will Wi-Fi be needed?

Let Mohican-Loudonville set your event apart from all the others surrounded by natural beauty and fun activities for all ages.

Thinking that Mohican is only exciting during the summer could not be further from the truth. Events and festivals bring people in all year. For some visitors it is their first time here, while others it is like visiting an old friend.

Start the year off with Mohican's Winterfest. Enjoy winter and all the fun with live ice sculpting demonstrations. Spring is near and animals are just waking up. Celebrate spring and nature during Mohican Wildlife Weekend in April. Get up close and personal with live animals and take a hike off the beaten path to enjoy sites of the park, few only get to see.

Summer is alive and well. The International Wine at The Mill Festival features nearly 100 varieties of international and domestic varieties, live music, food and more. The Loudonville Car Show is always a great turnout in July. Stand in awe at the over 500 cars displayed. Learn about Native American culture and lifestyle at the 31st Annual Great Mohican Pow-Wow. Enjoy dance and drum competitions, food, storytelling and more.

Photo: Devon Braden

As autumn sets in, make sure to join in on Oktoberfest. This annual event brings in old-world style German atmosphere with live music, food and over 100 kinds of foreign and domestic beers. October will continue the fun with the Loudonville Street Fair. This free street fair is five days full of family fun and entertainment.

There just is not enough room to note all the fun to be had. Plan to stay and Discover Why Mohican Rocks -anytime of year!

What to Do

From the daring to the relaxing, outdoors or indoors, Mohican offers everyone an experience to remember and enjoy. Year round events, history, nature, and more are waiting for you in Mohican-Loudonville. Plan to stay a day or week and enjoy all Mohican has to offer.

When the weather is warm and the sun is out, enjoy many of the outdoor activities available. Canoeing the Mohican River is a perfect way to cool off and relax. Take a ride of a life time and try zip-lining across the treetops! Test all levels of endurance and courage on the new aerial adventure park. Hiking, mountain biking and horseback riding will also fill up the day with memories for a lifetime. For a more leisurely moment, take in living history at one of Ohio's oldest working grist mills. Rent a boat at local marinas, try for a personal best on the golf course, it is all about personal relaxation and fun!

Should it start raining, enjoy many other activities. The local museum will keep interests alive with interactive historical displays. Speaking of history, make sure to check on the historic theatres where movies and concerts are available in a casual, elegant background of times gone by. Take in a tour at Malabar Farm State Park.

As the weather cools off come and enjoy the changing of the seasons. Take a drive down Wally Road Scenic By-Way and look for the Weeping Wall. Follow State Route 97 to the popular Clearfork Gorge Overlook and watch the trees turn to vibrant shades of reds, yellows and oranges! In the winter, snowmobiling and cross-country skiing trails are available at Mohican-Memorial State Forest.

As the seasons change, Mohican-Loudonville still has more to offer. Parks, history, boating, fishing, and more await you all year long. *Discover Why Mohican Rocks!*

Mansfield / Richland County

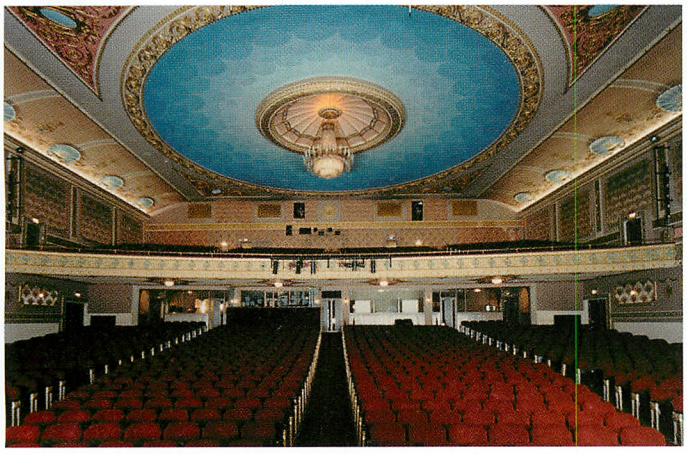

Nearby Richland County is marked by beautiful scenery and unique attractions. Whether it is an art museum or an adventure for the daring. Sit trackside for world-class racing at the Mid-Ohio Sports Car Course. Travel in the path of Hollywood on the self-guided driving tour of the 14 area filming sites from the movie The Shawshank Redemption. Immerse yourself in the places where Andy, Red, and Warden Norton created history 20 years ago on the big screen. Visit www.ShawshankTrail to plan your experience.

Grab friends and join in on the fun at north central Ohio's paintball park. From the target range to the new military field, they will create an unforgettable experience. Feel like a kid again and take a ride on the carrousel. The carrousel opened in 1991 as the first new, hand-carved carrousel to be built and operated in the United States since the 1930's. Have fun walking back in time to the 1800's during a premier outdoor arts & crafts festival. Watch artists' demonstrations; enjoy live music and delicious food. Hit the slopes or the tubing run at one of the two ski resorts. Dine at an old stage coach stop or at an Amish restaurant featuring the best in home cooking.

With so much to see and do in Richland County, take advantage of the ski packages, family packages and more. Check out the Local Deals on the website homepage. For more information on what Mansfield and Richland County have to offer make sure to visit MansfieldTourism.com.

Wayne County

Wayne County, Ohio was named after Revolutionary War Brigadier General Anthony Wayne. The county was largely organized within its present borders in 1812. Today, Wayne County is proud of its rich soil and plentiful water supply that supports its strong agricultural community. Wayne County, along with its neighboring counties, is home to the world's largest Amish community. Available locally are handmade quilts, fine wood furniture and homemade bakery items.

In contrast, downtown Wooster offers an eclectic mix of fine restaurants, upscale shops and a boutique hotel. Live theatre productions, known worldwide, will provide hours of entertainment.

Holmes County

Home to the world's largest Amish community, this region is known for its Anabaptist heritage but remembered for the fun, friendship, and food. The store-lined streets of Berlin, Millersburg, and Winesburg, along with the handcrafted items found throughout the county, provide shopping surprises and adventures. Tour an Amish home, and take a buggy ride. Refuel with a home-style dinner, fresh-made dessert, and ice cream. Relax in a rocker on the porch. Watch the sun set. Memories are always available in Amish Country Ohio. For all Holmes County has to offer, check out the website at VisitAmishCountry.com
